

EMIRATES LIME FACTORY

Environment, Health & Safety Policy Statement

Emirates Lime Factory (ELF) is a member of Al Jazeera Emirates Group having three big capacity plants and the first manufacturer in Abu Dhabi since 2008 using the most modern technology and process methods under a well known European Consultant in bringing out a high quality of products of Quick Lime, Hydrated Lime, and Dolo Lime which are using for large range of industrial activities.

We will commit and protect the Health and Safety of its employees, customers, visitors and the community at large and protect the physical environment in which the company activities are carried out.

The Management and Staff of ELF is committed to:

- Ensuring that our services meet the needs and expectations of our customers.
- Ensuring the safety and welfare of our staff and the protection of our assets.
- Ensuring the prevention of any impact on the environment resulting from our actions.
- Ensuring that management will set and review the Objectives and Targets.
- Complying with all relevant Environment, Health & Safety legal laws and other requirements.
- To identify the hazards (the potential for harm) assess the risks (the likelihood of that harm being realized) and manage those risks.
- To maintain work equipment in a safe state and provide both safe systems of work and a safe working environment for employees and all who work on our behalf.
- Periodically review the suitability, adequacy and effectiveness of the EHS management system.
- Strive to prevent any injury, incidents, occupational illness or exposures which could cause harm to people and damage to properties and assets and the environment and maintain Emergency Plans to reduce risks and adverse effects.
- Make every effort to protect the environment and prevent pollution, to minimize consumption of materials, to promote reuse and recycling of wastes and adopt best practice on waste management.
- Strive to achieve continual improvement of the EHS management system and related performance.
- To prevent accidents and cases of work-related ill-health.
- Policy will be reviewed periodically and will be available for employee and public.

These commitments will be achieved by:

- Ensuring procedures, program and guidelines are in place to support the EHSMS.
- Providing the necessary resources for the implementation of the Management System.
- Communicating the Company's EHS Policy and Objectives to relevant parties including its employees and customers.
- Ensuring Line Management commitments to the EHSMS.
- Complying with AD EHS Policy and Industrial Development Bureau EHS Policy.
- Authorizing and signing the Policy by Top Management.

Engr. Khalid
